Edition - India's First IEEE Club of 6 Conference

**India's First & Only IEEE Club of 6 Technical Paper Conference** - connecting your organization with a global community of power and renewable energy innovators, under the trusted IEEE name.

ABOUT THE CONFERENCE

# A Premier IEEE Platform for Power & Renewable Energy

IPRECON 2026 is the **4th edition** of India's first and only IEEE Club of 6 Technical Paper Conference, organized by the IEEE Student Branch of the College of Engineering Karunagappally. With technical co-sponsorship from **IEEE IAS and IEEE PES**, it serves as a premier platform for students, researchers, and professionals to share cutting-edge innovations.

This edition revolves around the theme: **"Advancing Power and Renewable Energy Systems through AI, Computing, and Emerging Technologies."** All accepted papers are submitted to the **IEEE Xplore® Digital Library**. Up to 20% of presented papers are eligible for further review and possible publication in IAS Periodicals.

### IEEE Xplore® Publication

All presented papers archived in IEEE Xplore Digital Library - globally accessible and permanently indexed.

### Hybrid Format

In-person in Kerala, accessible worldwide virtually - maximizing your brand's reach across continents.

### Dual IEEE Society Backing

Co-sponsored by IEEE PES and IEEE IAS - two of the most respected societies in electrical engineering.

### Industry-Academia Network

Direct access to decision-makers, researchers, and future engineering leaders from across the globe.
